DISTINGUISHED
NHSA
High Master

Precision Rifle Shooting:
.22 Rimfire Rifles

RW Fredericks

NHSA awards this Marksman Grading Certificate to our distinguished
above-mentioned member, who had shot an average score of

100.00%

out of six or more consecutive Postal Target Shooting Scores entered
during the year in this Marksman Grading Category.

This is indeed an achievement our member can be very proud of.

Executive Chairman

By Order of the NHSA Executive Council

To achieve this Marksman Grading Level, the member must
have entered at least six targets in the specific Grading
Category for which s/he had to score an average of between:

97% - 100%
